

Your Gateway to
European Industry & Academia

**Connecting You to
Europe's Industry and
Academic Excellence**

Why choose PROvendis?

Expertise:

PROvendis is a leading provider of IP services in Germany. Our team consists of seasoned IP transfer and business development professionals with deep knowledge in managing and commercializing IP assets.

Trusted Partner:

In business since 2002, we have inter alia evaluated thousands of technologies, constantly conducting market research, concluded a 4-digit number of contracts for universities and fostered innumerable cooperations thereby gaining a reputation as a experienced and professional partner.

Network:

Being one of the largest technology transfer agencies in Europe we maintain an extensive network with European universities. Managing assets in all fields of technologies we are extensively networked in a broad range of industries.

Get to know our broad range of services incl. IP searches, analysis of technological landscape, monetary evaluation, licensing and fostering of collaborations.

Seek expert guidance

Navigating the complex landscape of industry and academia in Europe can be challenging. PROvendis is here to provide you with expert guidance and comprehensive services to connect with potential partners.
